

**NJ ACCELERATE
EVENT SPONSORSHIP REQUEST FORM**

Accelerator Programs approved to participate in NJEDA’s NJ Accelerator Program are eligible to receive sponsorship for events within the State of New Jersey that showcase the Accelerator and its graduate companies. With this sponsorship, the NJEDA can reimburse the Accelerator up to 50% of approved event expenses. No Accelerator Program may receive more than \$100,000 in total event sponsorships. The amount of each event sponsorship cannot exceed \$25,000. If the Accelerate Program was approved with the Diversity & Inclusion bonus of 5%, these amounts can increase to a total event sponsorship amount of \$105,000 and a per event maximum amount of \$26,250. All events must submit a “NJ ACCELERATE EVENT SPONSORSHIP REQUEST FORM” along with any associated documentation to be approved and receive expense reimbursement. Approval is at the review and discretion of the NJEDA.
