

Offshore Wind Workforce & Skills Development Grant Challenge Potential Collaborator Form

This form may be used to identify potential collaborators for the Grant Challenge. This form is optional and its submission will not affect your Grant Challenge score. By submitting this form, you agree to share the information provided here with other entities that have expressed an interest in finding a collaborator for this Grant Challenge. Likewise, their information will be shared with you. Please submit completed forms to WindInstitute@njeda.com. A due date will be posted on the Grant Challenge web page within one week of the deadline.

Please note: All of the information you provide on this form will be shared. The EDA does not control who submits this form, and therefore makes no representations either about the accuracy of information you will receive or about who will view or use your information.

6. Is the organization seeking to be a Primary Applicant for this Grant Challenge? Yes No Unsure

7. Is the organization interested in being a member of a larger applicant team? Yes No Unsure

¹For the purposes of this training challenge, a Community-Based Organization is defined as a 501(c)(3) non-profit organization that provides direct services or supports to a specific geographic NJ community(ies) or specific segments of a New Jersey community(ies). For the purposes of this Challenge, government entities, K-12 schools, and institutions of higher learning do not qualify as Community-Based Organizations.

²NJ's Environmental Justice Law, N.J.S.A 13:1D-157, defines overburdened communities as any census block group, as determined in accordance with the most recent United States Census in which: 1) at least 35 percent of the households qualify as low-income households; 2) at least 40 percent of residents identify as minority or as members of a State recognized tribal community; or 3) at least 40 percent of the households have limited English proficiency.
