NJEDA announces $24.45 million Small Business Development Program

The New Jersey Economic Development Authority (NJEDA) announced the availability of $24.45 million in grants under its Small Business Development Program. The program, which seeks to support the growth and development of small businesses in the state, provides funding for a variety of initiatives, including business start-ups, expansions, and equipment purchases.

Eligible applicants can use the funds for a range of purposes, such as equipment purchases, rent, and other necessary expenses. The program is aimed at helping small businesses grow and expand, creating jobs and contributing to the state's economy.

The program is open to small businesses located in New Jersey. Applications are due by January 15, 2023. Interested businesses can apply online at https://www.njeda.com.

For more information, please contact the NJEDA at 609-882-9200 or info@njeda.com.

NJ Youth Care Improvement Program – Leg 1 Regulations, NJEDA’s child care program seeks improvement for the benefit of all. The program aims to enhance the services provided by licensed care providers in the state. In order to qualify, providers must meet certain criteria and demonstrate the capability to improve their services. The program is open to licensed care providers who wish to improve their services and attract more clients. The funds provided under the program are intended to support the implementation of improvements and enhancements to the care they provide. The program requires recipients to engage in an improvement program and to work with the Department of Children and Family Services to ensure the success of the program. The program also encourages providers to seek additional qualifications and certifications to enhance the quality of care they provide. In summary, the NJ Youth Care Improvement Program aims to support licensed care providers in New Jersey by providing the necessary funding and resources to improve the quality of care they provide.
