Capitalized terms defined in Exhibit A hereto (“Exhibit A”) shall have the meanings given in Exhibit A, and capitalized terms used but not defined herein or in Exhibit A shall have the meanings given such terms in the Program Guidelines (as hereinafter defined).

**BACKGROUND**

**WHEREAS**, the Authority has established the Garden State C-PACE Program (the “C-PACE Program”), and developed the Garden State C-PACE Program Guidelines (as may be amended from time to time, the “Program Guidelines”), pursuant to and in accordance with P.L. 2021, c. 201 (N.J.S.A. 34:1B-374 et seq.) (as may be amended, the “Act”), to facilitate private and other loan financing for clean energy and resiliency-related improvements to commercial and certain other types of properties (each, a “C-PACE Project”, as defined in Exhibit A); and

**WHEREAS**, the Act authorizes the imposition of a voluntary local improvement assessment in accordance with N.J.S.A. 40:56-1 et seq. (a “C-PACE Assessment”) at the request of an Eligible Owner to provide security for the repayment to a Qualified Capital Provider of loan financing for a C-PACE Project, provided that the municipality in which the Eligible Property is located has adopted an Opt-in Ordinance to participate in the C-PACE Program and has entered into a Garden State Program Agreement; and

**WHEREAS**, the Municipality has adopted an Opt-in Ordinance authorizing its participation in the C-PACE Program, and this Agreement constitutes the “Garden State Program Agreement” as such term is defined in the Act;

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto mutually covenant and agree as follows:

## **Section 1 - Purpose.**

The Authority and the Municipality are entering into this Garden State Program Agreement for the purpose of setting forth their respective obligations in connection with the C-PACE Program in accordance with the Act and the Program Guidelines.

## **Section 2 - Rights and Obligations of the Authority.**

A. C-PACE Program Guidelines; Uniform Assessment Documents. The Municipality acknowledges and agrees to comply with the Program Guidelines, which are inclusive of the Uniform Assessment Documents, developed by the Authority for the financing of C-PACE Projects in accordance with the Act. A copy of the current Program Guidelines, as in effect on the date hereof, can be found on the Authority's C-PACE Program Website. The Authority may, from time to time and at its discretion, revise the Program Guidelines, including one or more of the Uniform Assessment Documents. In the event that the Program Guidelines are revised, the revised Program Guidelines shall not apply retroactively to any prior applications, actions, or fees for C-PACE Projects that were previously approved but shall be effective and applicable to all C-PACE Projects in the Municipality upon their publication on the Authority's C-PACE Program Website.

B. Applications for C-PACE Projects. As set forth in the Program Guidelines, an individual or entity seeking to receive a Direct Financing shall submit a completed application to the Authority for the Authority to determine if the individual or entity, the property, and the proposed project are eligible. The Authority shall inform the Municipality of the Authority's determinations with respect to the eligibility of proposed projects within the Municipality for which the Authority has received applications.

C. Applications by Capital Providers. As set forth in the Program Guidelines, a Capital Provider seeking to be qualified to participate in the C-PACE Program shall submit a completed application to the Authority for the Authority to determine if the Capital Provider is eligible. In addition, the Program Guidelines set forth the conditions and requirements for participation by Qualified Capital Providers in the C-PACE Program. The Authority shall maintain a list of Qualified Capital Providers on the Authority's C-PACE Program Website.

D. Use of Third-Party Administrators; Use of State Government Agencies. Pursuant to the Act, during the term of this Agreement, the Authority: (i) may contract with one or more third-party administrators, whether private, public or quasi-public, or for-profit or not-for-profit, to assist the Authority in its implementation or administration, or a combination thereof, of the C-PACE Program and may delegate any duties under the program to one or more such third-party administrators, provided that the Authority shall not delegate its responsibility for general oversight of the C-PACE Program or; (ii) may enter into a memorandum of agreement with one or more State government agencies or instrumentalities whereby any of the powers the Authority may exercise or responsibilities it must fulfill pursuant to the Act may be exercised or fulfilled, as the case may be, by such agency or instrumentality. If the Authority contracts with one or more third-party administrator or enters into a memorandum of agreement with one or more State government agencies or instrumentalities, the Municipality agrees to cooperate with such third-party administrator or State agency or instrumentality and to enter into such amendments to this

Agreement or such new agreements with respect to the C-PACE Program as may be required at such time in connection with the change in C-PACE Program administration.

### **Section 3 - Rights and Obligations of the Municipality.**

A. Compliance with the Garden State C-PACE Program. The Municipality acknowledges and agrees that it has reviewed the Act and the Program Guidelines and it shall comply with the Act and the Program Guidelines. The Municipality shall remain in compliance at all times with all requirements and obligations of the Garden State C-PACE Program, the Act, this Agreement, the Program Guidelines (as such Program Guidelines may be revised from time to time), and each C-PACE Project Document to which the Municipality is a party. Without limiting the generality of the foregoing, in connection with each C-PACE Project in the Municipality, the Municipality shall be obligated to (i) enter into a C-PACE Assessment Agreement with the Eligible Owner and Property Owners; (ii) enter into a Notice of Assessment; (iii) enter into an Assignment Agreement with the Qualified Capital Provider; and (iv) enter into any amendment(s) to such C-PACE Assessment Agreement, Notice of Assessment, or Assignment Agreement, as the Eligible Owner and the Qualified Capital Provider shall jointly request. Each C-PACE Project Document shall be substantially in the form of such document included in the Program Guidelines, with only such substantive changes, if any, as shall be approved by the Authority.

B. Designation of Municipal C-PACE Liaison. The Mayor or municipal manager, as appropriate to the form of government, shall designate an official of the Municipality, who shall be known as the Municipal C-PACE Liaison, to serve as the Municipality's liaison to the Garden State C-PACE Program. The Municipality shall have a designated Municipal C-PACE Liaison at all times during the Municipality's participation in the Garden State C-PACE Program. The Municipal C-PACE Liaison shall be qualified by training and experience to serve in that role. The Municipal C-PACE Liaison shall be responsible for ensuring the Municipality's compliance with the Garden State C-PACE Program, including compliance with the Program Guidelines, compliance with this Agreement, enforcement of C-PACE Assessments, and establishment of the appropriate municipal processes to fully participate in the Garden State C-PACE Program.

C. C-PACE Assessment Treated as a Municipal Lien. A C-PACE Assessment shall be treated as a municipal lien rather than a contractual lien for all purposes, including for the purposes of this Agreement.

D. Obligation to Levy, Bill, Collect, Remit, and Enforce C-PACE Assessments.

1. The Municipality shall levy and bill C-PACE Assessments in the same manner and at the same time as it bills its real property taxes. C-PACE Assessments shall be set forth in a separate bill from real property taxes. Payments in respect of C-PACE Assessments shall be due on the same dates as the Municipality's real property taxes.

2. Following receipt from the Property Owner of payment in respect of a C-PACE Assessment, the Municipality shall remit such payment to the Qualified Capital Provider not later than thirty (30) days after the end of the month in which such payment is received.

3. Pursuant to N.J.S.A. 34:1B-378(g) of the Act:

a. If a Property Owner shall fail to make any payment of a C-PACE Assessment when that payment shall have become due, or later, consistent with any grace period provided or extended by the Municipality for the payment of property tax bills as may be permitted or required by law, the Municipality shall impose interest thereon (“statutory interest”) at the same rate as shall be imposed upon unpaid property taxes in the Municipality. Such statutory interest shall be in addition to any accrued interest and any amount fixed as a penalty for delinquency, pursuant to the Direct Financing Agreement.

b. All delinquent payments of C-PACE Assessments, together with statutory interest thereon, accrued interest, and any penalties for such delinquency, shall be collected and enforced in the same manner as unpaid property taxes, which may include accelerated tax sales. The proceeds of the tax sale shall also pay the outstanding past unpaid amounts of the C-PACE Assessment. The remaining balance not delinquent on a C-PACE Assessment shall not be subject to acceleration or extinguishment in the event of a default in payment.

c. The Municipality shall retain any statutory interest collected by the Municipality on a delinquent C-PACE Assessment.

d. The Municipality shall remit to the Qualified Capital Provider any non-statutory accrued interest and any amount fixed as a penalty for delinquency pursuant to the Direct Financing Agreement that may be paid to the Municipality.

e. If a Property Owner is delinquent on a C-PACE Assessment as well as delinquent on taxes, charges, or other assessments, the Municipality shall apply any payment made by the Property Owner to any and all such other delinquencies before applying any payment to any delinquent C-PACE Assessment.

f. The Municipality acknowledges and agrees that the Qualified Capital Provider, pursuant to the Act, may compel the Municipality to enforce the C-PACE Assessment through an action to foreclose on the Eligible Property.

g. The Municipality acknowledges that in the event that any lien on an Eligible Property shall be exposed to tax sale, pursuant to the “tax sale law,” N.J.S.A. 54:5-1 et seq., and is struck off and sold to Municipality, the C-PACE Assessment shall survive any subsequent action to foreclose the right of redemption and continue as a first lien upon the real estate described in the assessment, paramount to all prior or subsequent alienations and descents of the real estate or encumbrances, except subsequent taxes, charges, or other assessments, and provided that, notwithstanding the obligations of the Municipality pursuant to N.J.S.A. 54:5-53.1, while the Municipality holds the lien or owns the Eligible Property, the Municipality shall not be responsible for or required to make any payment from its treasury or any other source in furtherance of or to satisfy the C-PACE Assessment.

E. Assignment of C-PACE Assessments.

1. Pursuant to an Assignment Agreement between the Municipality and a Qualified Capital Provider, a C-PACE Assessment shall be assigned directly by the Municipality,

and any assignee thereof, to a Qualified Capital Provider, as security for financing provided by the Qualified Capital Provider to finance a C-PACE Project.

2. The assignment of C-PACE Assessments shall be an absolute assignment of all of the Municipality's right, title, and interest in and to the C-PACE Assessments, except for the Municipality's obligations to levy, bill, collect, remit, and enforce C-PACE Assessments.

F. Obligation to Report Certain Events to the Authority. The Municipality shall maintain records of the following events and the Municipal C-PACE Liaison shall report such events to the Authority no later than thirty (30) days after the occurrence of any such event: (i) a delinquency in the payment of a C-PACE Assessment; (ii) the commencement of foreclosure proceedings with respect to a C-PACE Assessment; and (iii) the completion of foreclosure proceedings with respect to a C-PACE Assessment.

G. Municipal C-PACE Fees.

1. Closing Fee: The Municipality shall be entitled to charge an Eligible Owner a Closing Fee at the closing of the Direct Financing for the Municipality's activities to prepare for the ongoing billing, collecting, and remittance of the C-PACE Assessment with respect to a C-PACE Project. The amount of the Closing Fee shall be as set forth in Schedule I hereto, shall not be revised without providing prior written notice to the Authority, and shall not exceed the amount set forth in the Program Guidelines. Any increase in the amount of the Closing Fee shall not apply with respect to any C-PACE Project for which the Eligible Owner's completed application to the Authority was filed prior to the date of implementation of the increase.

2. Annual Servicing Fee: The Municipality shall be entitled to charge an Eligible Owner an Annual Servicing Fee with respect to each C-PACE Project of the Eligible Owner, for the Municipality's billing, collection and remittance services rendered with respect to such C-PACE Project. The Annual Servicing Fee shall be charged each calendar year, or part thereof, in which a C-PACE Assessment is in effect with respect to such C-PACE Project. The Annual Servicing Fee may be billed together with the C-PACE Assessment and payable in respect of one quarter each year, such amount to be retained by the Municipality before remitting the balance to the Qualified Capital Provider, or the Annual Servicing Fee may be billed separately. The amount of the Annual Servicing Fee shall be as set forth in Schedule I hereto, shall not be revised without providing prior written notice to the Authority, and shall not exceed the amount set forth in the Program Guidelines. Any increase in the amount of the Annual Servicing Fee shall not apply retroactively to any prior Annual Servicing Fee paid for a C-PACE project that was previously approved but shall apply to all prospective Annual Service Fees for all C-PACE Projects, including any C-PACE Project with an existing C-PACE Assessment.

3. Rebilling Fee: The Municipality shall be entitled to charge a Rebilling Fee to the Eligible Owner each time that the Eligible Owner requests a change in the Repayment Schedule that requires the Municipality to reissue a bill for the C-PACE Assessment during the course of the same annual billing cycle. The amount of the Rebilling Fee shall be as set forth in Schedule I hereto, shall not be revised without providing prior written notice to the Authority, and shall not exceed the amount set forth in the Program Guidelines. Any increase in the amount of the Rebilling Fee shall not apply retroactively to any prior Rebilling Fee paid for a C-PACE Project

that was previously approved but shall apply to all prospective Rebilling Fees for all C-PACE Projects, including any C-PACE Project with an existing C-PACE Assessment.

4. Assessment Amendment Fee: The Municipality shall be entitled to charge an Eligible Owner an Assessment Amendment Fee each time that the Eligible Owner and the Qualified Capital Provider jointly request the Municipality to execute an amendment to any C-PACE Project Documents. The Assessment Amendment Fee shall be paid when the request to amend the C-PACE Project Documents is made by the Eligible Owner and the Qualified Capital Provider. The amount of the Assessment Amendment Fee shall be as set forth in Schedule I hereto, shall not be revised without providing prior written notice to the Authority, and shall not exceed, for each occurrence of an amendment, the amount set forth in the Program Guidelines. Any increase in the amount of the Assessment Amendment Fee shall not apply retroactively to any prior Assessment Amendment Fee paid for a C-PACE Project that was previously approved but shall apply to all prospective Assessment Amendment Fees for all C-PACE Projects, including any C-PACE Project with an existing C-PACE Assessment.

H. Recording of C-PACE Project Documents. The Municipality acknowledges and agrees that each C-PACE Project Document and each amendment thereto is required to be recorded within the time required in the Program Guidelines. The Municipality shall designate on Schedule I hereto whether the responsibility to record or arrange for the recording of such documents shall be the Municipality's. The Municipality's designation as set forth on Schedule I hereto shall not be revised without providing prior written notice to the Authority, and any such revision shall not apply retroactively to any recording for a C-PACE Project that was previously approved but shall apply to all prospective recordings for all C-PACE Projects, including any C-PACE Project with an existing C-PACE Assessment.

I. Indemnification. To the fullest extent permitted by Applicable Law, the Municipality shall release, defend, indemnify and hold harmless the Authority and its directors, employees, consultants, agents, successors, and assigns (collectively, "Indemnified Parties") from and against any and all liability for losses (including property damage, injury or death) arising from third party claims to the extent such losses arise out of, or as a consequence of, the subject matter of this Agreement, provided, however, that the foregoing indemnification and protections shall not extend to any losses, claims, damages, liabilities, or costs arising from the gross negligence or willful misconduct of the Indemnified Parties.

J.

#### **Section 4 – Term; Termination for Convenience; Termination for Cause.**

A. Commencement of Term. The term of this Agreement shall commence upon the date first written above.

B. Termination by Municipality for Convenience. The Municipality shall have the right to terminate its participation in the C-PACE Program by providing ninety (90) days prior written notice to the Authority; provided, however, that any such termination for convenience shall not be effective with respect to any C-PACE Project located within the Municipality that received the approval of the Authority prior to the date of termination and with respect to all continuing

obligations of the Municipality relating to any C-PACE Assessments that have not been paid or otherwise discharged in full, and all such continuing obligations of the Municipality relating to such C-PACE Assessments shall survive and continue until all such C-PACE Assessments have been paid or otherwise discharged in full.

C. Termination by Municipality for Cause. For the purposes hereof, “Material Change” means any modification to the Act, the Program Guidelines, or the form of any Uniform Assessment Document, such that the rights, obligations, or operations of the Municipality, Eligible Owners, or Property Owners are materially adversely affected. To terminate for cause in the event of a Material Change, the Municipality must notify the Authority in writing within sixty (60) days after the effective date of the Material Change, and the termination for cause shall be effective fifteen (15) days after such written notice has been provided to the Authority; provided, however, that any such termination for cause shall not be effective with respect to any C-PACE Project located within the Municipality that received the approval of the Authority prior to the effective date of the Material Change and with respect to all continuing obligations of the Municipality relating to such C-PACE Project shall survive until all C-PACE Assessments relating to such C-PACE Project have been paid or otherwise discharged in full.

D. Termination by Authority for Cause. If a Participating Municipality fails to comply with a requirement of the Program, including, but not limited to, requirements in the Program Guidelines or in this Agreement, the Authority may revoke the designation as a Participating Municipality, which shall be in addition to any remedy any other individual or entity may have; provided, however, that any such termination for cause shall not relieve or terminate the Municipality’s duties, obligations, and responsibilities with respect to any C-PACE Project located within the Municipality that received the approval of the Authority prior to the date of termination and with respect to all continuing obligations of the Municipality relating to any C-PACE Assessments that have not been paid or otherwise discharged in full, and all such continuing obligations of the Municipality relating to such C-PACE Assessments shall survive and continue until all such C-PACE Assessments have been paid or otherwise discharged in full.

E. Ongoing Obligation with respect to Continuing C-PACE Assessments. Notwithstanding anything to the contrary in this Agreement, for so long as there are any C-PACE Projects on Eligible Properties located within the Municipality that are subject to C-PACE Assessments, the Municipality’s obligations hereunder shall survive and remain in full force and effect with respect to such C-PACE Assessments until all such C-PACE Assessments have been paid or otherwise discharged in full.

## **Section 5 – Miscellaneous.**

A. Rules of Construction. If and to the extent there is any conflict or inconsistency between the Act and this Agreement, the Act shall control. If and to the extent there is any conflict or inconsistency between this Agreement and the Program Guidelines, the Program Guidelines shall control.

B. Severability. If any term or provision of this Agreement, or the application thereof to any person or circumstances, shall, to any extent, be held illegal, invalid or unenforceable by any court of competent jurisdiction, the remainder of this Agreement, or the application of such

term or provision to persons or circumstances other than those as to which it is held illegal, invalid or unenforceable, shall not be invalidated, rendered unenforceable, or otherwise affected thereby, and each term and provision of this Agreement shall be valid and be enforceable to the fullest extent permitted by law.
