

1. Non-structural security devices, such as security hardware, locks, alarm systems, motion detectors, and security camera systems;

2. Structural security devices, such as wiring, lighting, gates, doors, and fencing, so long as such devices are intended solely to provide security and not to improve the property or increase its value;

3. Security personnel and services that are bona fide, legitimate, and professional. Security personnel must be compliant with the Security Officer Registration Act, N.J.S.A. 45:19A-1 et seq.; and

4. Cybersecurity software, devices, and services.

(b) Candidates and officeholders that use campaign funds to pay for the reasonable costs of security measures must retain documentation, including receipts, invoices, and contracts of such expenditures, and must retain a written statement that details the ongoing danger or threat that precipitated the expenditures. The retention requirements set forth at N.J.A.C. 19:25-7, Recordkeeping, apply to the documentation required pursuant to this subsection.

(c) Any security devices or ongoing services purchased pursuant to this subsection are an asset of the campaign and must be appropriately dissolved once the candidate closes out their campaign or the officeholder is no longer in office. Devices and equipment must be sold for cost or other reasonable value.

SUBCHAPTER 15. PUBLIC FINANCING; GENERAL ELECTIONS FOR THE OFFICES OF GOVERNOR AND OF LIEUTENANT GOVERNOR

19:25-15.26 Expenses not subject to expenditure limits

Notice of Administrative Correction

Readoption: N.J.A.C. 19:31V

Concurrently Adopted Amendments: N.J.A.C. 19:31V

Concurrently Adopted New Rule: N.J.A.C. 19:31V-1.14

Take notice that on November 28, 2025, the Economic Development Authority (EDA) submitted, to the Office of Administrative Law (OAL), a notice of adoption of the readoption of N.J.A.C. 19:31V to maintain and extend the expiration date of the chapter. The readoption of the chapter was included as part of a rulemaking related to specially adopted and concurrently proposed amendments to N.J.A.C. 19:31V and new N.J.A.C. 19:31V-1.14 (see 57 N.J.R. 1985(a)). The intent of the EDA, in filing the November 28, 2025 notice for publication was to partially adopt the rulemaking related to the readoption of the chapter, but not to adopt the specially adopted and concurrently proposed amendments and new rule. However, due to an error, the notice of adoption published on January 5, 2026, at 58 N.J.R. 111(a) adopted the entire rulemaking. This notice of correction is published to clarify that the specially adopted and concurrently proposed amendments and new rule are not yet adopted by the EDA, but are still pending. The EDA has requested, and the OAL has agreed, to administratively correct this error, pursuant to N.J.A.C. 1:30-2.7.
