It is the sole responsibility of the Bidder to be knowledgeable of all Addenda related to this procurement.

1.4.2 BIDDER RESPONSIBILITY

The Bidder assumes sole responsibility for the complete effort required in submitting a Proposal in response to this RERFP. No special consideration will be given after Proposals are opened because of a Bidder's failure to be knowledgeable as to all requirements of this RERFP solicitation.

1.4.3 COST LIABILITY

The Authority assumes no responsibility and bears no liability for costs incurred by a Bidder in the preparation and submittal of a Proposal in response to this RERFP solicitation.

1.4.4 CONTENTS OF PROPOSAL – OPEN PUBLIC RECORDS ACT

The Authority, as an instrumentality of the State of New Jersey, is subject to the New Jersey Open Public Records Act (N.J.S.A. 47:1A-1.1 et seq.), as amended and including all applicable regulations and policies and applicable case law, including the common law right to know. Subsequent to the Proposal submission opening, all information submitted by Bidder in response to a solicitation is considered public information, notwithstanding any disclaimers to the contrary submitted by a Bidder. When the RERFP contains a negotiation component, the Proposal will not be subject to public disclosure until a conditional Notice of Award is issued.

As part of its Proposal, a Bidder may designate any data or materials it asserts are exempt from public disclosure under OPRA and/or the common law, explaining the basis for such assertion. The location in the Proposal of any such designation should be clearly stated in a cover letter.

A Bidder shall not designate any price lists and/or catalogs submitted as exempt from public disclosure.

Any proprietary and/or confidential information in the Bidder's Proposal will be redacted by the Authority. A Bidder may designate specific information as not subject to disclosure pursuant to the exceptions to OPRA found at N.J.S.A. 47:1A-1.1, when the Bidder has a good faith legal and/or factual basis for such assertion. The Authority reserves the right to make the determination as to what is proprietary or confidential, and will advise the Bidder accordingly. **The Authority will not honor any attempt by a Bidder to designate its entire Proposal as proprietary, confidential and/or to claim copyright protection for its entire Proposal.** Copyright law does not prohibit access to a record which is otherwise available under OPRA. In the event of any challenge to the Bidder's assertion of confidentiality with which the Authority does not concur, the Bidder shall be

solely responsible for defending its designation, but in doing so, all costs and expenses associated therewith shall be the responsibility of the Bidder. The Authority assumes no such responsibility or liability.

1.4.5 PROPOSAL SUBMISSION ANNOUNCEMENT

On the date and time Proposals are due under the RERFP, only the names and addresses of the Bidder(s) submitting Proposals will be publicly announced and the contents of the Proposals shall remain proprietary and/or confidential, pursuant to Negotiation and Best and Final Offer (BAFO) Section 6.8, until the Conditional/Notice of Intent to Award is issued.

NOTE: All Proposal submissions, once publicly opened, become the property of the Authority and cannot be returned to the Bidder.

1.4.6 PROPOSAL ERRORS – BEFORE & AFTER BID OPENING

A Bidder(s) may request to withdraw its Proposal as described below:

A Bidder(s) may request that its Proposal be withdrawn prior to the Proposal submission opening. Such request must be made, in writing, via e-mail to the Procurement Department at email: QARED@njeda.gov, with a reference to company name, RERFP number, RERFP Title, a Proposal identifier if one was applied, Proposal submission date, and method of Proposal submission (i.e., electronic version or hard copy delivery). The written withdrawal request must be signed and submitted by a duly authorized representative of the Proposing entity to be valid.

In the event the Bidder requests to withdraw its Proposal in person, a business card and proper identification must be presented. If the withdrawal request is granted, Proposals so requested to be withdrawn may be returned to the Bidder unopened.

If the withdrawal request is granted, the Bidder(s) may submit a revised Proposal as long as the Proposal is received prior to the announced date and time for Proposal submission and at the place specified.

If, after the Proposal submission opening but before Contract award, a Bidder(s) discovers an error in its Proposal, the Bidder(s) may make a written request to the Procurement Department for authorization to withdraw its Proposal from consideration for award. Evidence of the Bidder's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the Contract resulting from the Proposal would be unconscionable; that the mistake relates to a material feature of the Contract; that the mistake occurred notwithstanding the Bidder's exercise of reasonable care; and that the Authority will not be significantly prejudiced by granting the withdrawal of the Proposal. After the Proposal submission opening, while pursuant to the provisions of this section, the Bidder may request to withdraw the Proposal and the Authority may, in its sole discretion allow the Bidder to withdraw it, the Authority also may take notice of repeated or unusual requests to withdraw by a Bidder(s) and take those prior requests to withdraw into consideration when evaluating the Bidder(s) future bids or Proposals.

If during a Proposal evaluation process an obvious pricing error made by a potential Contract awardee is found, the Authority shall issue written notice to the Bidder(s). The Bidder(s) will have five (5) days after receipt of the notice to confirm its pricing. If the Bidder fails to respond, its Proposal shall be considered withdrawn, and no further consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the Bidder's intention is not readily discernible from

other parts of the Proposal, the Procurement Department may seek clarification from the Bidder(s) to ascertain the true intent of the Proposal.

1.4.7 JOINT VENTURE

The Authority will **NOT** consider Proposals submitted by joint ventures, in the performance of the Work for this RERFP.

Bidders shall note that any and all reference to “joint venture(s)”, “joint venture partner(s)”/“joint venture partnership(s)” in any documents included as a part of the RERFP specifications, exhibits or attachments shall be read as though the words are stricken and removed.

1.4.8 SUBCONTRACTORS/SUBCONSULTANTS

For purposes of this RERFP, the Authority will consider Proposals submitted which may employ the use of Subcontractors and/or subconsultants to satisfy the requirements and deliverables required of the resulting Contract.

See Bidder’s Checklist – Subcontractor Utilization Form, complete and submit, if applicable.

The Awarded Vendor shall be fully responsible to the Authority for the acts and omissions of its Subcontractors and/or subconsultants, and of persons either directly or indirectly employed by them, as the Awarded Vendor is responsible for the acts and omissions of persons directly employed by the Awarded Vendor.

The Awarded Vendor shall cause appropriate provisions to be inserted in all subcontracts relative to the Work to bind Subcontractors to the Awarded Vendor by the terms of the Contracts Documents in so far as applicable to the Work of Subcontractors and to give the Awarded Vendor the same power as regards terminating any subcontract that the Authority may exercise over the Awarded Vendor under any provision of the Contract Documents.

Bidders should note that the Awarded Vendor retains the sole and absolute responsibility for the management and supervision of all Subcontractors to a high quality of service. Such Subcontractors must possess a valid “Business Registration Certificate”, as further detailed in “Section 4.2.4.5 Compliance – Business Registration Certificate” of this RERFP. Additionally, the Awarded Vendor assumes sole and absolute responsibility for all payments and monies due to its Subcontractors.

Nothing contained in this RERFP and subsequent Contract shall create any contractual relation between any Subcontractor and the Authority.

1.4.9 CONFLICT OF INTEREST

Bidder must indicate and detail any Conflict of Interest that exists with either their personnel or any Subcontracting personnel being utilized for these services. Such conflicts include a direct, familial, or personal monetary interest or any previous or existing personal/professional relationships with the Authority and any personnel assigned to work on the Authority’s account, regarding these requisite services.

If such a Conflict of Interest exists with any vendor personnel or any Subcontracting personnel being utilized for these services, the Bidder must disclose such potential conflicts in the Proposal. Should a conflict(s) be found to exist, whether real or perceived, the Authority, in its sole discretion, shall determine whether it is a conflict(s) and the individual(s) involved are to be immediately removed.

1.4.10 PROPOSAL ACCEPTANCES AND REJECTIONS

The Authority's staff reserves the right to reject any and all Proposals, if deemed to be in the best interest of the Authority, to schedule interviews with no Bidders, all Bidders, or only the most highly qualified Bidders, as determined by the Authority; or to request clarifications of any portion of the Proposal received. Further, the Authority's staff reserves the right, at its sole discretion, to waive minor elements of non-compliance of any entity's Proposal, regarding the requirements outlined in this RERFP. NOTE: If the Bidder is a partnership or a limited liability corporation partnership, each Disclosure of Investment Activities in Russia and Belarus form must be signed by a general partner. Failure to comply may preclude the award of a Contract.

5.3 CONTRACT TRANSITION

In the event that a new Contract has not been awarded prior to the Contract expiration date, as may be extended herein, the Authority reserves the right, in its sole discretion, to extend the Agreement on a month-to-month basis beyond the expiration or termination, until a replacement is engaged to provide the requisite services. It shall be incumbent upon the Awarded Vendor to continue the Contract under the same terms and conditions until a new Contract can be completely operational. At no time shall this transition period extend more than 180 days beyond the expiration date of this Agreement, including any extensions exercised.

The Awarded Vendor is responsible for the professional quality, technical accuracy and timely completion and submission of all deliverables, services or commodities required to be provided under the Contract. The Awarded Vendor shall, without additional compensation, correct or revise

any errors, omissions, or other deficiencies in its deliverables and other services. The approval of deliverables furnished under this Contract shall not in any way relieve the Awarded Vendor of responsibility for the technical adequacy of its work. The review, approval, acceptance or payment for any of the services shall not be construed as a waiver of any rights that the Authority may have arising out of the Awarded Vendor's performance of this Contract.

5.6 SUBSTITUTION OF STAFF

The Awarded Vendor shall forward all requests to substitute staff to the Authority for consideration and approval. The request may be as simple as naming an alternate/back-up individual for each position / individual identified in the Bidder's organization chart which is designated to perform work against the resulting Contract. No substitute personnel are authorized to begin work until the Awarded Vendor has received written approval to proceed from the Authority's Designated Contract Manager.

If it becomes necessary for the Awarded Vendor to substitute any management, supervisory or key personnel, the Awarded Vendor shall identify the substitute personnel and the work to be performed. The Awarded Vendor must provide detailed justification documenting the necessity for the substitution. Resumes must be submitted evidencing that the individual(s) proposed as substitute(s) have qualifications and experience equal to or better than the individual(s) originally proposed or currently assigned. No substitute personnel are authorized to begin work until the Awarded Vendor has received verbal/written approval to proceed from the Authority's Designated Contract Manager.

The Authority reserves the right, in its sole discretion, to recommend and make changes to the Awarded Vendor's overall approach to address these advisory needs, if deemed necessary. For instance, the Authority's Designated Contract Manager may determine that the Awarded Vendor's staff employee assigned to perform the requisite services may not be meeting the acceptable levels of performance and a replacement staff employee is needed to better meet the needs of the Authority.

5.7 SUBSTITUTION OR ADDITION OF SUBCONTRACTOR(S)/SUBCONSULTANT(S)

The Awarded Vendor shall forward a written request to substitute or add a Subcontractor/Subconsultant or to substitute its own staff for a Subcontractor/Subconsultant to the Authority's Designated Contract Manager for consideration. If it becomes necessary for the Awarded Vendor to substitute a Subcontractor/Subconsultant, add a Subcontractor/Subconsultant, or substitute its own staff for a Subcontractor/Subconsultant, the Awarded Vendor will identify the proposed new Subcontractor/Subconsultant or staff member(s) and the work to be performed. With respect to software computer programs and/or source codes developed for the Authority, except those modifications or adaptations made to the Bidder's or Contractor's (Awarded Vendor's) Background IP as defined below, the work shall be considered "work for hire", i.e., the Authority, not the Contractor (Awarded Vendor) or Subcontractor, shall have full and complete ownership of all software computer programs and/or source codes developed. To the extent that any of such materials may not, by operation of the law, be a work made for hire in accordance with the terms of this Contract, Contractor (Awarded Vendor) or Subcontractor hereby assigns to the Authority all right, title and interest in and to any such material, and the Authority shall have the right to obtain and hold in its own name and copyrights, registrations and any other proprietary rights that may be available.

Should the Bidder anticipate bringing pre-existing intellectual property into a work-for-hire, the intellectual property must be identified in the Proposal. Otherwise, the language in the first paragraph of this section prevails. If the Bidder identifies such intellectual property ("Background IP") in its Proposal, then the Background IP owned by the Bidder on the date of the Contract, as well as any modifications or adaptations thereto, remain the property of the Bidder. The process considers and assesses price, technical criteria, and other factors during the evaluation process before a recommendation is made. The Authority may accept, reject or modify the recommendation of the Evaluation Committee. Whether or not there has been a negotiation process as outlined in Section 6.8 below, the Authority reserves the right to negotiate price reductions with the selected Bidder(s).

6.8 NEGOTIATION AND BEST AND FINAL OFFER (BAFO)

6.8.1 NEGOTIATIONS

In accordance with N.J.S.A. 52:34-12(f), the advertised RERFP will indicate any terms the Authority is willing to negotiate. In that event, the Authority after evaluating Quotes, may enter into negotiations with one (1) Bidder or multiple Bidders. The primary purpose of negotiations is to maximize the State's ability to obtain the best value based on the mandatory requirements, evaluation criteria, and cost. Multiple rounds of negotiations may be conducted with one (1) Bidder or multiple Bidders. Negotiations will be structured by Authority to safeguard information and ensure that all Bidders are treated fairly.

Negotiations will be conducted only in those circumstances where it is deemed by the Authority to be in the State's best interests and to maximize the State's ability to obtain the best value. Therefore, the Bidder is advised to submit its best technical and price Quote in response to this RERFP since the State may, after evaluation, make a Contract award based on the content of the initial submission.

6.8.2 BEST AND FINAL OFFER (BAFO)

The Authority may invite one (1) Bidder or multiple Bidders to submit a Best and Final Offer (BAFO). Said invitation will establish the time and place for submission of the BAFO. Any BAFO that does not result in more advantageous pricing to the State will not be considered, and the State will evaluate the Bidder's most advantageous previously submitted pricing.

The Authority may conduct more than one (1) round of BAFO in order to attain the best value for the State.

BAFOs will be conducted only in those circumstances where it is deemed to be in the State's best interests and to maximize the State's ability to get the best value. Therefore, the Bidder is advised to submit its best technical and price Quote in response to this RFQ since the State may, after evaluation, make a Contract award based on the content of the initial submission.

If the Authority contemplates BAFOs, Quote prices will not be publicly read at the Quote opening. Only the name and address of each Bidder will be publicly announced at the Quote opening.

6.9 PROTEST OF RECOMMENDED AWARD

Any Bidder may protest a vendor selection (an award) by the New Jersey Economic Development Authority. For a protest to be timely, it must be submitted to the Chief Administrative Officer within ten (10) business days of receipt of the notification that the Bidder was not selected. In order to be considered complete, a protest must: (i) identify the Bidder that is submitting the protest, (ii) identify the Contract award that is being protested, (iii) specify all grounds for the protest (including all arguments, materials and/or documents that support the protest); and, (iv) indicate whether an oral presentation is requested, and if so, the reason for the oral presentation. A Hearing Officer will be designated by the Authority's Managing Director Legal Affairs. The designated Hearing Officer will review all timely and complete Vendor protests and will have sole discretion to determine if an oral presentation by the protester is necessary to reach an informed decision on the matter(s) of the protest.

A Hearing Officer Report will be submitted to the Authority's Board or Chief Executive Officer designee, for review to make a final decision on the protest for the award of the Contract, which will be the final Authority decision, that is appealable to the Appellate Division of the Superior Court of New Jersey.

It is the Authority's intent not to award the Contract until it has completed all of the review procedures described above. If, however, in the Authority's sole discretion, it is determined that such an award is necessary to support the uninterrupted and efficient business operations of the Authority the Contract may be awarded.

7.0 CONTRACT AWARD

Contract award(s) shall be made in whole or in part, with reasonable promptness by written notice to the highest ranked responsible Bidder, whose proposal, conforming to this RERFP, is most advantageous to the Authority, price, and other factors considered, as determined by the Authority, in its sole discretion. Any or all proposals may be rejected when the Authority determines that it is in the public interest to do so.

It is the policy of the New Jersey Economic Development Authority that to be considered for award, a Bidder must achieve or exceed an overall score of three ("3") indicating a rating of "Good", on a scale of 1-5 with 5 being the highest rating. The Authority shall be under no obligation to make an award to an entity which does not achieve this minimum scoring threshold.

Award of a Contract for the services outlined in this RERFP will be subject to the selected entity entering into the "Contract for Professional Service", attached to this RERFP as Exhibit A. Bidders are encouraged to carefully review the specimen Contract and should indicate any exceptions taken to the form of Contract during the "Questions and Answers Period."

The Bidder is cautioned that it shall not impose conditions under which it will conduct business with the New Jersey Economic Development Authority by submitting its own separate and distinct company "Standard Terms and Conditions", engagement letters, agreement(s) or forms in response to this section requirement. The Bidder shall not submit its "Standard Terms and Conditions" or submit material revisions and/or exceptions to the "Contract for Professional Services" with the proposal as it will result in the proposal being deemed non-responsive.

IMPORTANT: In the event the Bidder takes exception to one (1) or more points within the Contract; it shall submit its "exceptions" in the form of a question to be submitted for consideration during the "Questions and Answers Period" established for this solicitation. The Authority shall not consider any questions, exceptions or requests for changes to be made to the specimen Contract at any time during the RERFP process, unless submitted during the "Questions and Answers Period".

The Authority shall be under no obligation to grant or accept any requested changes (i.e. exceptions taken) to the specimen form of the Contract (Exhibit A) during the "Questions and Answers Period."

Any proposal submitted in response to this RERFP will be considered a firm Offer by the responding Bidder to perform the Scope of Work, as outlined in the RERFP and specimen Contract. By submitting an Offer in response to this RERFP, the responding Bidder agrees to hold its Offer open for at least one hundred twenty (120) days after the response due date. Any provision in a submitted Offer that attempts to limit or condition the time that an Offer is open for consideration by the Authority will not be binding on the Authority.

Accordingly, any proposals submitted will indicate an acceptance by Bidders of the form of Specimen Contract.

Acceptance of a proposal and award of a Contract is subject to the approval of the Authority's Board.
